

## Drawing

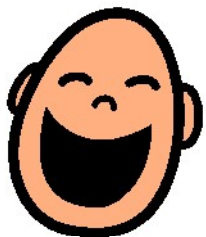

Have a pen and paper each. Take it in turns to draw parts of a person. Add some extras to the person like a hat, earrings, helmet, maybe a flower in the hair. Be wacky!!

Compare your crazy drawings.

Take it in turns to describe your character.

Say .... 'He's got the hat of a cowboy. the head of a clown, the body of an astronaut.

Turn it around and take it in turns to describe and tell your partner what to draw. Be creative and have fun!
