

Reading

Have the person choose their favourite story to read to you. Make sure you keep it interactive by giving lots of feedback like "Wow! That's exciting", "Ooh, do you think the dog will chase the cat?" etc.

Look at the pictures together, holding the book up to the screen. Read a story to the child/person and make a point of showing the pictures as you read, pointing out detail in the illustrations.

Change the ending to a story and encourage the imagination to run riot. "What if Goldilocks and Baby Bear became friends?"
